Addressing Climate-Related Financial Risk in Pragmatic and Effective Ways

June 13, 2025

09:30 - 11:45 AM

ETH Zurich,
Room CHN C14

A collaborative workshop exploring how companies can pragmatically manage climate-related financial risks amid shifting global regulations, particularly in the light of recent U.S. policy reversals.

Entrance is free. To register, please send an email to info@ccrs.ch

- 09:30 *Welcome* Madeleine Guyer (Swiss Cleantech) and Philipp Aerni (CCRS)
- 09:40 *Keynote* Sergio Scandizzo (European Investment Bank)
"Operationalizing Climate Risk Management at Regulated Financial Institutions"
- 10:00 *Discussant* Judson Berkey (UBS)
- 10:30 *Panel Discussion* Climate Related Financial Risk: Quo Vadis?
